

Leave of Absence Information Sheet

- **What is a leave of absence?**
 - A leave of absence is required by students who wish to take a break in their studies (summer semester excluded) or withdraw permanently from AAU.
 - There is no deadline and maximum length to take a leave of absence. However, students who take a leave of absence for more than 2 consecutive years must re-apply to AAU.
- **What are the impacts of taking a leave of absence?**
 - Per SEVP policy, I-20 will be terminated for an 'Authorized Early Withdrawal', which is a positive termination that should have no negative impact on future US visa applications.
 - F-1 visa and I-20 are no longer valid after the termination and cannot be used to re-enter the U.S during the timeframe of the leave of absence.
 - You may lose your eligibility to apply for OPT. Students must be in valid F1 status for one academic year in order to qualify for off campus work authorization. If you plan to apply for OPT after your leave of absence, please ensure that you have enough credits left to take to complete one academic year.
