

## COURTESY SHUTTLE SERVICE

Academy of Art University provides its own private Courtesy Shuttle Service for all students with Academy student ID badges. Courtesy shuttles provide free, reliable transportation between residence halls and academic buildings. They run on specific routes at specific times and are not intended as general transportation.

Each route is represented by a letter (A, B, C...). Route signage is clearly displayed on the front and sides of the shuttles.

Remember to Plan Ahead! Students are responsible for arriving at their courtesy shuttle stop on time.

**All students must show their ID badge upon boarding Academy shuttles or at the request of the shuttle driver.**
