**\*Intel Based Mac is also acceptable**

**\*\*The PH and COM Departments do not require a Mac computer for the online program, but Mac is the industry standard. Mac computer is recommended, but not required.**

### Adobe Overview:

- PEUG, PEGR, CERT, and degree seeking students are given a cloud-based subscription. PCAE students *are not* given free access.
- Subscription allows student to access Adobe while they are enrolled in classes.
- Once student has graduated or is no longer attending classes, they will lose access to Adobe Creative Suite.
- Students can access their downloadable programs through instructions on Brightspace.
